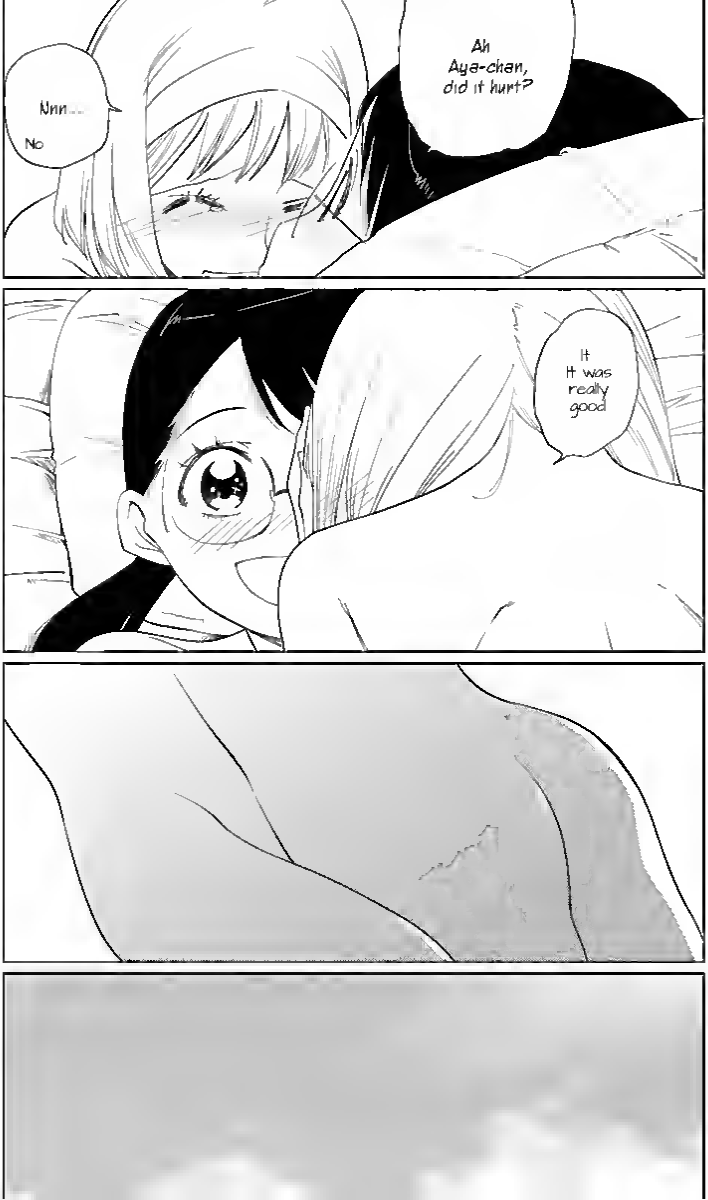
Miyu...
It's time
Let's not go out
It's nice like this

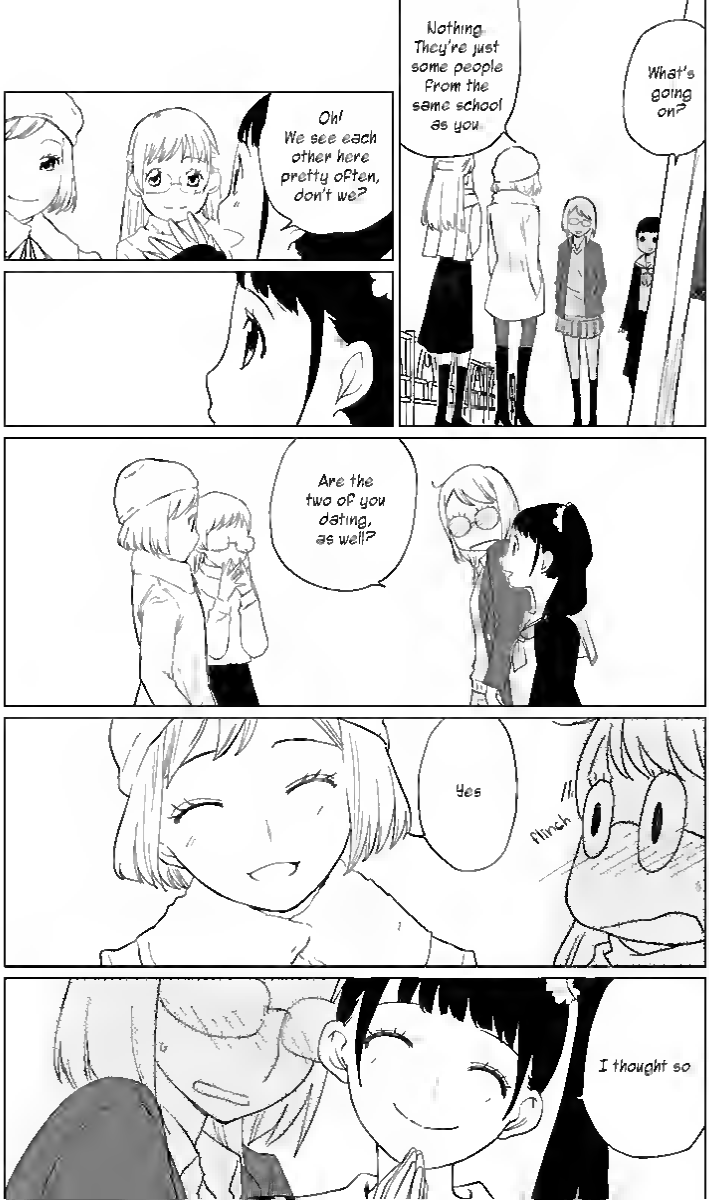
SINCE THEN, THINGS HAVE BEEN A BIT DIFFERENT WITH MIYU AND ME.
MIYU IS STILL AFRAID OF BLUSHING AROUND OTHERS, JUST LIKE ALWAYS, BUT SHE ISN'T INHIBITED IN KISSING AND SEX ANYMORE.
I GET DIZZY ON OCCASION
AH



Ah
Aya-chan,
did it hurt?
Nnn...
No
It
It was
really
good

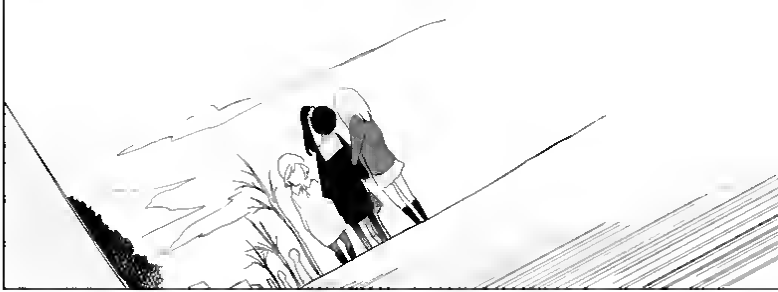
Currently under renovation
Until March 2
"Renovations..."
What should we do?
Why'd you wear your uniform, anyway? Don't you think that's awkward in certain places?
You're the one who nixed everything I picked out, Motoko!
Ha ha ha
Really, it's disturbing.

See? They were under renovations
It's true...
It's The G-string people!
We can't come here for a while, can we?
No, we can't. Oh...



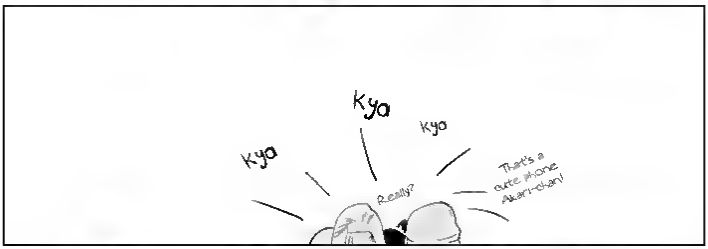
What's going on?
Nothing. They're just some people from the same school as you.
Oh! We see each other here pretty often, don't we?
Are the two of you dating, as well?
Yes
Pinch
I thought so

Okazaki-san and Tajima-san, right? There are rumors, yeah
I think it has to be the same for those other two...
I notice that sort of thing
I don't think Tajima-san is as scary as everyone says, either
I'm a bit scared of her
I think it's fantastic, honestly. Despite the rumors, Tajima-san seems totally nonplussed
That's so cute...
Akari... I don't understand...

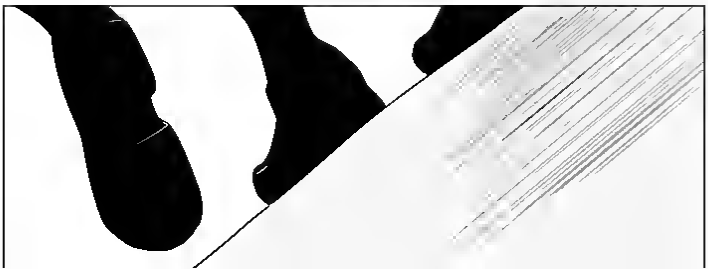


Then, I'll give you my cell phone number.
Oh!

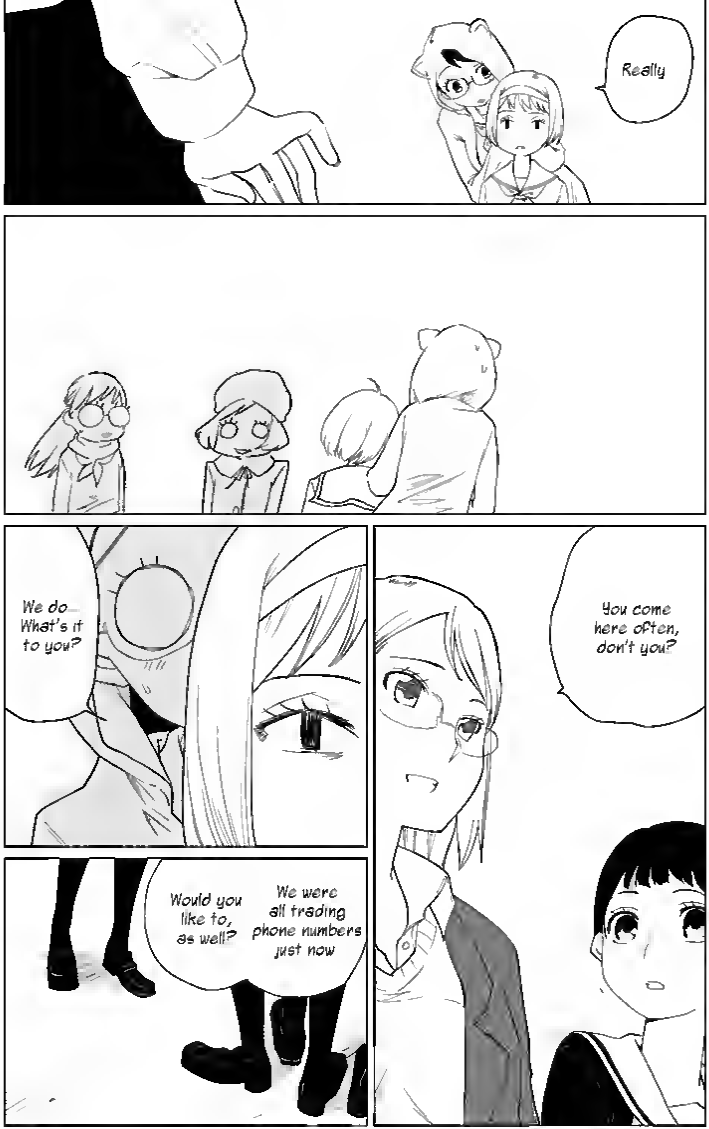
If you'd like, maybe we could all go somewhere together sometime?



Kya
Kya
Kya
Really?
That's a cute phone Akari-chan!



Huh? Looks like they're closed, Aya-chan.
It... It looks like they're under renovations.
It's the G-string girl.
heh heh heh



Really
We do... What's it to you?
You come here often, don't you?
Would you like to, as well?
We were all trading phone numbers just now

GULP
Might as well
SHE SMILED!?
